Dear Candidate,

Bike Tri-Cities (<https://www.biketricities.org/advocacy.html>) would like to invite you to fill out the enclosed candidate questionnaire. We are a 501(c)(3) non-profit organization and do not endorse or take positions on any candidate. This survey is being distributed to all our federal Senate and House candidates, and our candidates for state positions. It is meant to help educate our members and the general public impartially and on a nonpartisan basis about their policy positions regarding bicycles, pedestrian access and multi-modal transportation. All views are welcome.

Please return the attached questionnaire by September 15th. Your answers will be reprinted verbatim on the BTC website and Facebook page (508 followers with 259 views per week) and possibly on other educational websites. Answers should be capped at a 100-word limit for each question.

We hope you will take advantage of this opportunity to share your views with constituents. If you choose not to respond, please note that we will share that information with the public as well.

If you have any questions, please feel free to contact Carl Berkowitz, Bike Tri-Cities' Jurisdictional Committee Chair, at 509-375-4740, or via e-mail at [CDBerkowitz@charter.net](mailto:CDBerkowitz@charter.net).

Thank you for your consideration.

Sincerely,

Hector Cruz  
Bike Tri-Cities, Board President
